

## Drop-in Surgeries

Supporting members and partners with entry queries, guidance and technical help.

A new initiative for 2021, these surgeries are designed as drop-in consultation sessions and will be open for 1 hour on each the dates shown. We encourage members and partners to make use of these sessions if they have any queries or need clarification on anything, are seeking guidance around entering a category, or need technical support with the entry system.

Each consultation will be treated as confidential initially, with people being admitted from the waiting room individually in order of arrival once the previous person has left. However, with your permission, if you have a general query that we feel could be useful to others, we can invite other people in from the waiting room.
