Sustainability in Network Rail

“to serve the nation with the cleanest, greenest mass transport. We want to put passengers first, help passengers and freight users to make green choices, support local communities and be a good neighbour.”

Social Value Framework: Priorities & Ambitions

Economic prosperity

Working with our supply chains and partners, we will develop people's **skills** and support **educational attainment**, provide opportunities for **employment** and for **training**.

We'll enhance the **resilience and capacity of our supply chain**.

Equal opportunity

Working with our supply chains and partners, we'll work towards an **inclusive rail network** and promote **workforce diversity and inclusion**.

Wellbeing

Working with our supply chains and partners, we will promote community **integration** and enhance people's **physical and mental wellbeing**.

Network Rail is committed to helping achieve the United Nations Sustainable Development Goals. These priorities contribute to 11 of the 17 goals. Our Environmental Sustainability Strategy 2020 - 2050, and wider environmental plans, help us work towards the remaining 6.

COVID-19 recovery

Working with our supply chains and partners, we'll **help get passengers back onto the railway** and **help local communities recover** from the impact of COVID-19.

Environmental Sustainability Strategy: Priorities & Ambitions

A low-emission railway

Improved biodiversity of plants and wildlife

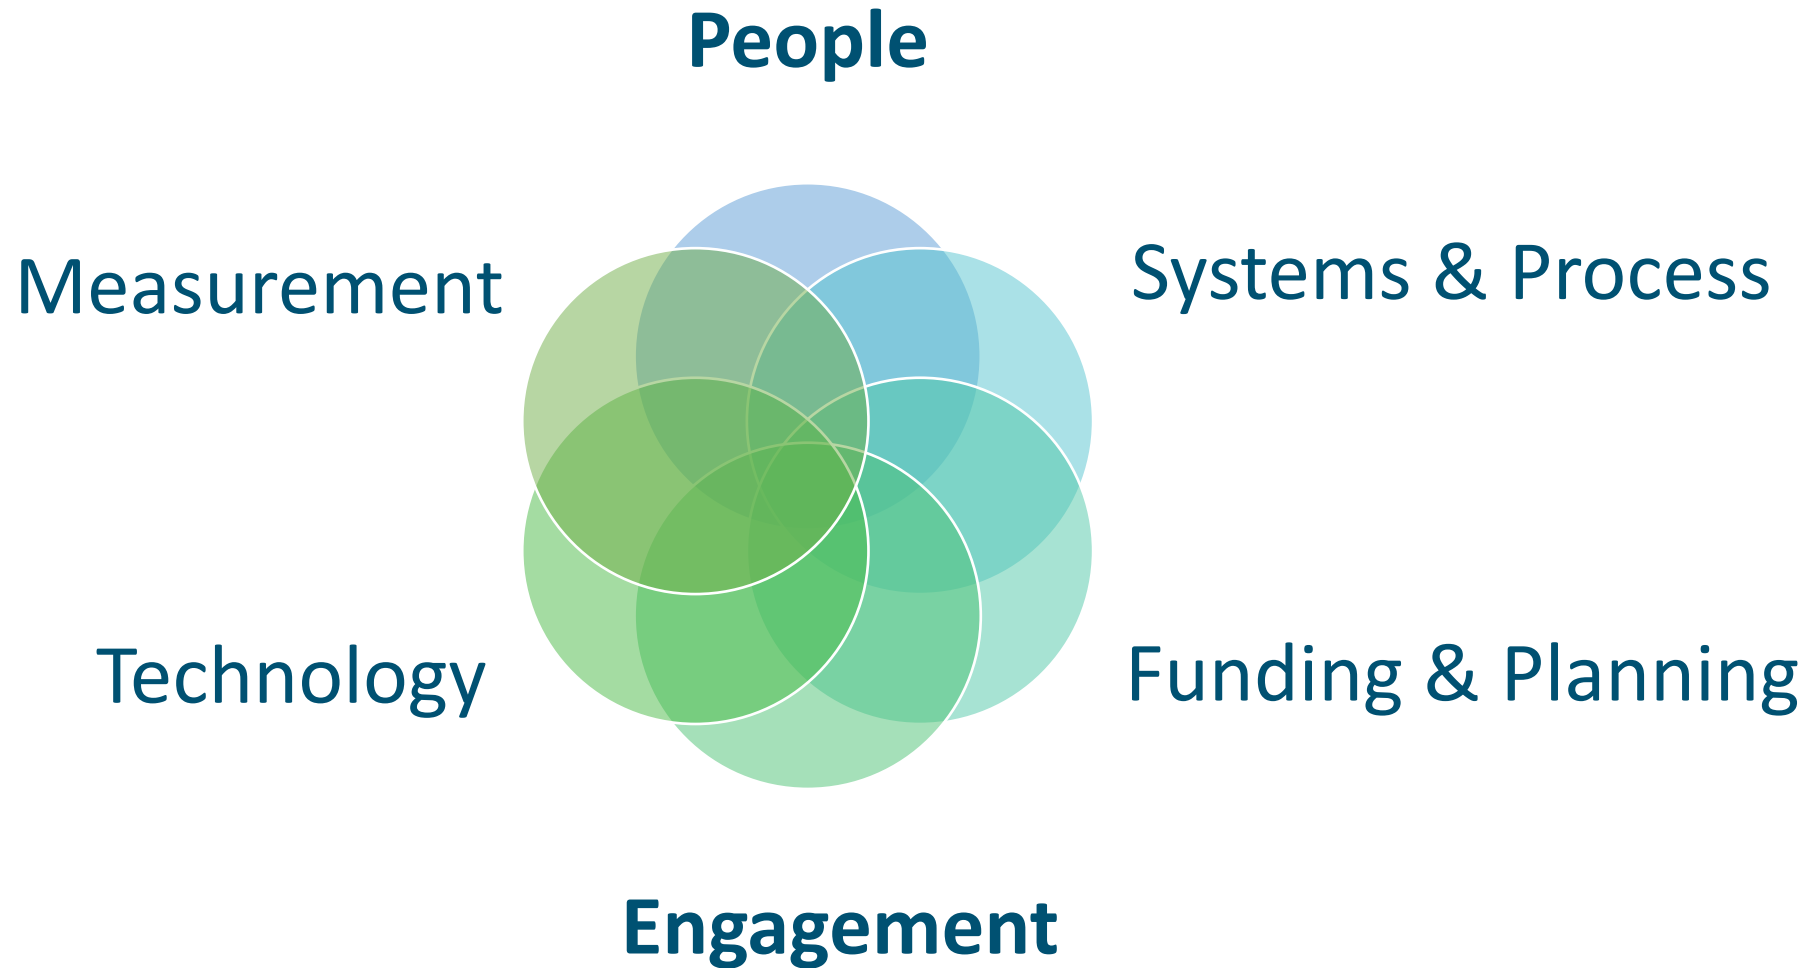

A reliable railway service resilient to climate change

Minimal waste and the use of materials

An organisation enabled to succeed

Working with community rail

Community gardening

Art Schemes

Activities at managed stations

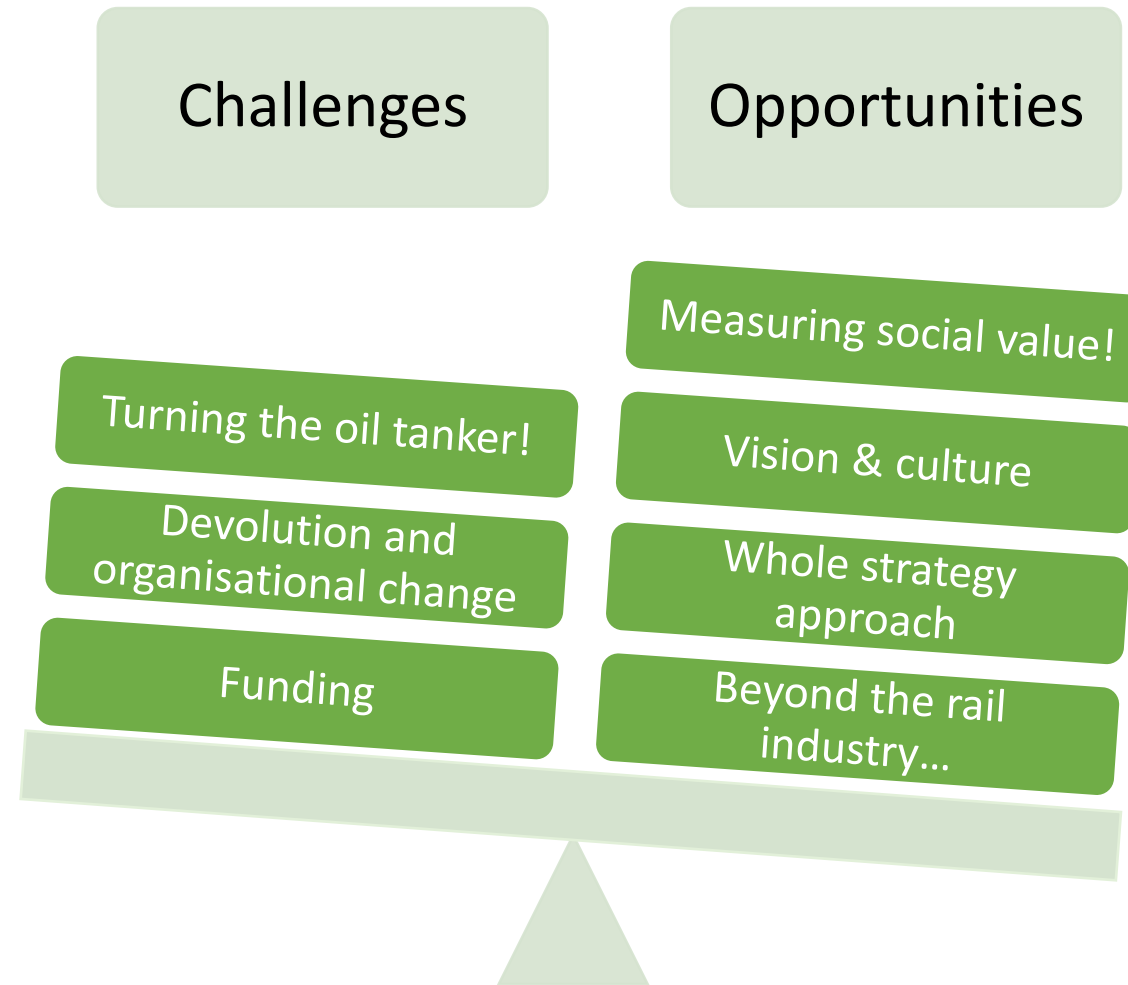

Joint volunteer days

Community use of disused buildings / land

Developing how we work together further
