

Platforms for Change – host stations looking for Scout groups

Station	Activities
Newton	Gardening and DIY
Ingatstone	Gardening, birdwatching, wildlife, local history, education connections
Silkstone Common	Gardening, sustainability, composting, art projects, litter picking
Penistone	Building planters, gardening, bug hotels and bird boxes, art projects, mapping, train trips, litter picking
Honley	Art and heritage projects, conservation in local area, Forest School activities, train trips
Chapeltown	Litter picking, bug hotels, gardening, bird boxes, art projects
Glazebrook	Gardening, art, bird watching
Ecclestone Park	The gardeners at Ecclestone Park Railway Station invite you to get involved in the station's horticulture and environment projects. There are lots going on. For example, come and do some plant propagation – grow flowers and fruit! You can help us with the newly planted heritage apple orchard – a load of stuff to do there. Why not make a garden for mushrooms and toadstools – they are so often neglected. Then there are interesting things to do with bees, and we love our honeybees.
Styal	Wildlife habitat building, community projects, station maintenance, gardening, DIY
Patricroft	Art, community service (litter picking etc), digital/ social media, gardening, local history
Kents Bank	Gardening, DIY, photography, writing, art/craft
Bletchley	Gardening, IT, social media, heritage, artwork
Christchurch	Gardening, art, bug/insect hotels, History of Trains -opportunity to visit locally, 5 minute walk away, a residential property with a working Model Rail Layout
Haslemere	Gardening, history (working signal box), tourism (information office), planning the memorial garden, local history
